) Case No. 3:12-cv-01465 BEN BGS
JOINT MOTION FOR LEAVE TO EXCEED THE PAGE LIMITATION

The parties hereby jointly request leave to exceed the page limitation set forth in Civil L.R. 7.1(h) and Patent Local Rule 4.4(c) (mandating twenty-five pages for opening briefs and ten pages for responsive briefs, for a total of thirty-five pages per party). The parties seek a five-page extension of the thirty-five page limit, for a total of forty pages per party for the Opening Claim Construction brief and Responsive Claim Construction brief combined.

Good cause exists to grant this Joint Motion. The parties request these five additional pages to better address the disputed claim construction issues. The parties believe that this modest page extension will assist the Court in understanding the claim terms of the patent-in-suit.

For the foregoing reasons, the parties respectfully request that the Court extend the total page limit for the Opening and Responsive Claim Construction briefs, scheduled to be filed on May 29, 2013, and June 12, 2013, respectively, from thirty-five pages to forty pages.

Dated: May 23, 2013

Respectfully submitted,
